

# JUPITER CARE KIT

## All-in-one Care & Maintenance Solution

JUPITER care kits are specifically designed to keep both woodwind and brasswind instruments in top playing condition. All kits contain high quality components such as silkweave polishing cloths, cleaning brushes, swabs, and Jupiter branded lubricants to keep instruments performing at their very best. The kits also include a case ID tag, care and maintenance instructions, and are packaged in an easy to display transparent clam shell case.
