

700 SERIES JBR700 B^b BARITONE

JUPITER.

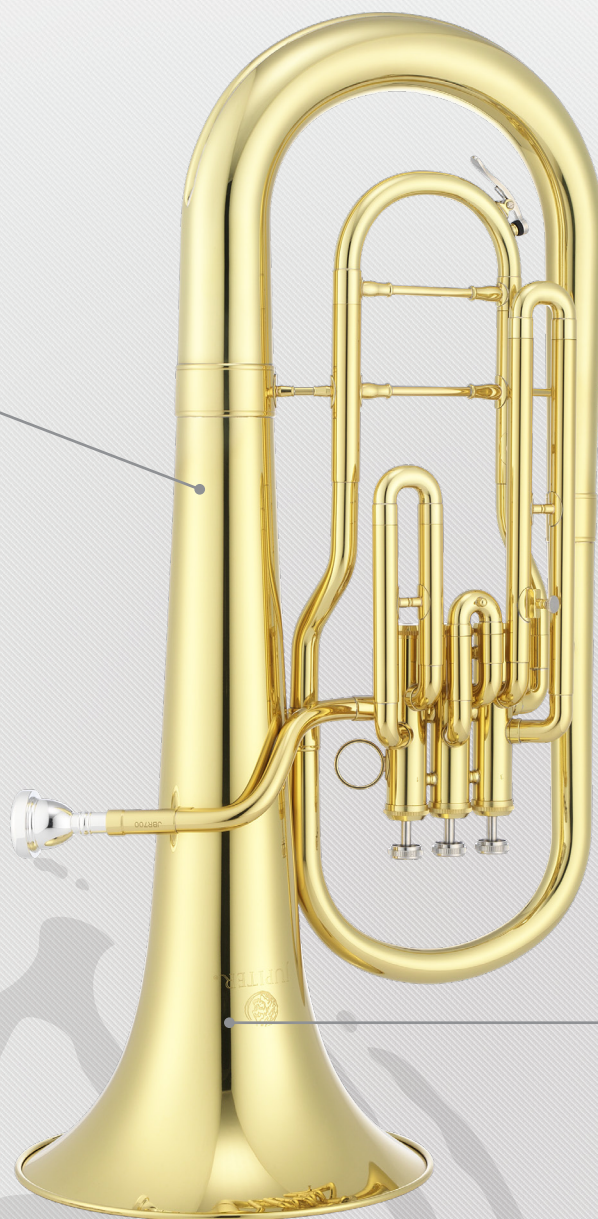

JUPITER.

The Jupiter JBR700 is a 3-valve Bb baritone horn with a yellow brass body, a .512" bore and a 9.5" bell. It is durable, reliable, and responsive. Designed and manufactured in collaboration with celebrated low brass artist Patrick Sheridan, the JBR700 is an ideal choice for the beginning low brass player.

Better Response

Machine lapped, stainless steel pistons offer remarkably smooth & fast action without sacrificing durability.

Precise Tuning

Smooth and air tight slides allow the player to adjust intonation quickly and accurately.
