

1100 SERIES JTU1110 BB^b TUBA
DISTINGUISHED PERFORMANCE

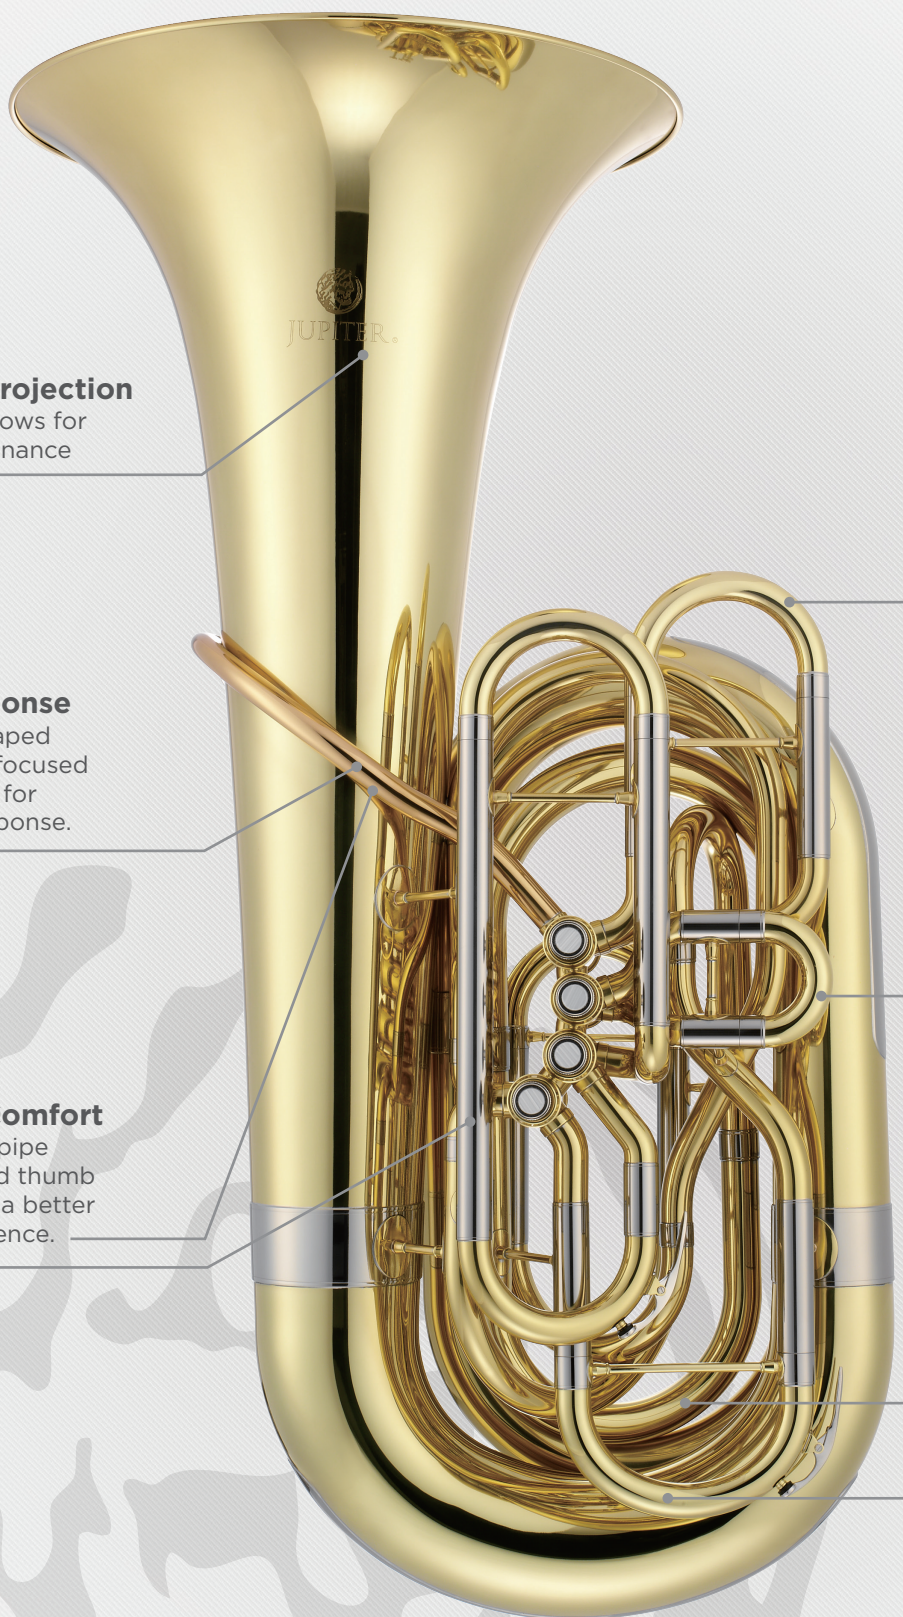

JUPITER.

JUPITER.

Committed to enriching lives through music and the quest for continuous product improvement, Jupiter has collaborated with world renowned artist Patrick Sheridan to re-introduce the Jupiter JTU1110 BB^b tuba. With multiple upgrades and enhancements, the JTU1110 is the most fun and exciting BB^b tuba to play in the market today.

Enhanced Projection

Thinner bell allows for maximum resonance

Better Response

New hydro-shaped leadpipe with focused bracing allows for immediate response.

Enhanced Comfort

Improved leadpipe positioning and thumb ring allows for a better playing experience.

Precise Tuning

Smooth and air tight slides let the player adjust quickly and accurately
