

700 SERIES J7U700 BB^b TUBA

JUPITER.

JUPITER

The JTU700 tuba, endorsed by world renowned artist Patrick Sheridan, is the perfect fit for beginning tuba players. Its size allows for easier control for younger players and features stainless steel pistons for easy actions. Its detachable leadpipe, valve body and bell allow for easy repair, when necessary. The tighter wrap and more compact size provides a wide dynamic range and rich tone. The Jupiter JTU700 is the ideal choice for all student tubists.

Better Response

New hydro-shaped leadpipe with focused bracing allows for immediate response. Stainless steel pistons gives users remarkably smooth, fast action for improved agility and playability

Enhanced Comfort

Improved leadpipe positioning allows for a better playing experience

Precise Tuning

Smooth and air tight slides let the player adjust quickly and accurately

Model	Level	Key	Bore	Bell	Valves	Finish	Case
